

2009-15
LAPEER COUNTY ROAD COMMISSION
ANNUAL BID
BITUMINOUS SEAL PATCH

The bid item Bituminous Seal Patch will include the following:

EQUIPMENT:

1. "A.M.Z."Brand Spray Patch Unit or equal - 250 gallon minimum.
The unit shall have a heating system capable of maintaining, at all times, the specific temperature of the asphaltic materials. A flashing traffic directional arrow to aid in traffic control and warning shall be installed on the unit in manner as to be readily visible by oncoming traffic.
2. Material Transport Unit - This unit will be of sufficient size as to be able to transport bituminous material, sand and aggregate of sufficient quantity simultaneously to and from the job site.
3. Backup Truck & Signing - Proper signing and backup truck with arrow board will be used in accordance with Michigan Manual of Uniform Traffic Control Devices Part VI.
4. Sweeping of Road Surface - Each day after application, road will be swept by mechanical broom removing all loose material from the road surface.

LABOR:

Labor will be sufficient to operate all necessary equipment and to provide adequate production rate and traffic control.

MATERIAL:

All sand and aggregate will be supplied by the Lapeer County Road Commission in a suitable stockpile within reasonable distance of the work site.

All bituminous material will be supplied by the Lapeer County Road Commission in portable tanks within reasonable distance of the work site. Material circulation and reheating will be the responsibility of the contractor.

DAMAGE LIABILITY AND INSURANCE

The contractor shall save harmless and indemnify the Board of County Road Commissioners of the County of Lapeer against all claims for damages to the public or private property and for injuries to the persons arising out of and during the progress and to the completion of the work.

The contractor, prior to the execution of the contract, shall file with the department, copies of completed certificates of insurance satisfactory to the Road Commission, to afford protection against all claims for damages to property and injuries to persons arising out of and during the progress of the work.

The Road Commission shall be added to these policies as additionally insured, with a 10-day cancellation clause.

Minimum property damage and bodily injury liability covering each contract shall be:

<u>Bodily injury liability</u>		<u>Property damage liability</u>	
Each person	Each accident	Each person	Each accident
\$1,000,000	\$2,000,000	\$1,000,000	\$1,000,000

Operations shall not commence until insurance is in force and will cease if it is canceled.

PROCEDURES:

Spray patch road and drainage problem areas in Lapeer County.

Production rate will be to the standard established by the Lapeer County Road Commission. Any unacceptable operation will be discontinued immediately and such decision will be the sole discretion of the Lapeer County Road Commission.

No alternate bids or substitute equipment will be accepted.

Work starting in March through September at direction of managing director.
