Roll Call: Duckert, aye; Hodge, absent, Suma, aye. Two ayes, one absent. Motion carried.

Managing Director Report:

Mr. Pearson explained that he and Mr. Suma attended the Special Meeting with Oregon Township regarding the Horton Lake Road improvement. Mr. Pearson stated that the \$40,000 project qualifies for the 50/50 match funds, leaving \$20,000 to be funded with \$5,000 from the township and \$15,000 to be split by the property owners. Mr. Pearson explained that 60% of the property is vacant land. Mr. Pearson stated that the availability of the match funds will expire on August 11, 2009 if a contract is not signed.

Mr. Pearson asked the Board to accept the bid tabulations for the Patrol Wings. Mr. Pearson explained that not only will the wings save time, but they will also, more importantly, keep the salt loaded trucks off of the shoulders of the road.

070109-110

Motion by Mr. Duckert and seconded by Mr. Suma to accept the bid tabulations for the three nine foot Patrol Wing Plows and award in the best interest of the County.

Roll Call: Suma, aye; Duckert, aye; Hodge, absent. Two ayes, One absent. Motion carried.

Mr. Pearson explained to the Board that MTF was down another \$50,000 this month and down a total of \$165,000 for 2009.

Mr. Pearson explained that Imlay City reported receiving seven inches of rain recently and this rain has caused a lot of washed out roads. Mr. Pearson commended the crews for their good work getting the roads back in shape without major overtime. Mr. Pearson stated that there was even a road that had the culvert completely washed out, and added that there is currently water standing in places that we have never had water before.

Mr. Priehs added that the excessive rain has been tough on the budget, but we can't control Mother Nature.

Deputy Orrie Smith, Weighmaster

Deputy Smith stated that he was busy this month writing citations in construction sites and discussion was held regarding the number of garbage trucks picking up trash in each township. Mr. Doyle stated that there are fourteen garbage companies working in Lapeer County at this time.

Engineer's Report:

Mr. Mainz stated that the safety projects have been hampered by all of the rain. Mr. Mainz went on to state that KAMAX has asked for a letter of interest regarding grant funds for an all season haul route. The upgrades are slated for 2010.

Public Comment:

Mr. Robert VanDenBerg stated that he appreciated the innovation of the Road Commission in purchasing the truck wings that may add 10% to the cost of the truck, but increases the trucks productivity by 33%.
