Policy Subject:	**NEIGHBORHOOD WATCH SIGN POLICY**
Authorized by Board of Road Commissioners	Date: 11/20/1985
Amended	Date: 07/18/2018
Amended	Date:

1. It is the responsibility of the Neighborhood Watch group to install these signs. The sign should be installed at the back of the ditch and outside the clear vision area as shown in Figure 1 and Figure 2 on Page 2 of this Policy.

2. NEIGHBORHOOD WATCH SIGNS CANNOT BE MOUNTED ON ROAD COMMISSION SIGNS.
   2.1. The Lapeer County Road Commission installs their signs at the proper height requirements to comply with the Michigan Manual for Uniform Traffic Devices.
   2.2. Any Neighborhood Watch signs placed on Road Commission signs will be removed.

3. The Neighborhood Watch group will be responsible for calling the MISS DIG system before driving any posts.
   3.1. This is necessary in order to avoid damage to any underground utilities located along the roadway.
   3.2. Failure to do this may result in injury to the person installing the sign or costly disruption of utility service to the surrounding area.
   3.3. It is suggested that the posts be driven 3-ft to 4-ft into the ground.

4. As a service to the neighborhood watch group, new posts are available from the Lapeer County Road Commission at 50% current cost plus tax.

The undersigned has reviewed the location sketch in Figure 1 and Figure 2 on Page 2 of this Policy and understands that he/she is responsible for the placement of signs in a manner which will not obstruct sight distance from driveways or side roads. ***Applicant is advised to call the MISS DIG system prior to driving posts.***
